ABOUT US

ICE TREKKING

PATAGONIA CHIC

Minitrekking on Perito Moreno

The Minitrekking is the most complete tour to visit the Perito Moreno Glacier as it includes **trekking on ice**, a walk along the shore of the lake in front of the glacier and through the forest, a **boat tour** by the south wall and the **visit to the balconies** located in the front of the glacier. You will appreciate cracks, seracs, drains and small lagoons. During the boat tour, you will enjoy a glass of Calafate liquor y with ice from the Perito Moreno Glacier after having visited and hiked on one of the most famous and unique glaciers of its kind in the world.

	Guided service throughout the transfer to the port and the tour. 1 hour trekking on the glacier. Sailing in front of the glacier wall.
	Not included
	Entrance fee to the National Park.

Big Ice on Perito Moreno

Physically demanding tour whose main difference with the Minitrekking is that it includes **hiking on the ice for 3 hours and a 4 hours trekking in the Patagonian forest** next to the Perito Moreno Glacier, allowing you to get to its center. During the Big Ice, you can see **incredible blue lagoons, deep cracks, eternal drains and, occasionally, ice caves**. You will enjoy a picnic surrounded by unparalleled beauty, finishing the experience with a glass of Calafate liquor with ice from the glacier while doing the boat tour.

BOAT TOURS

PATAGONIA CHIC

Moreno Spirit: Short Boat Tour

One hour boat tour in front of the north face of the Perito Moreno Glacier, which is considered the most beautiful face. If you visit the glacier on your own by car, you can **complement the walk along the runways with an approach to the north face of the glacier** from the water, with the possibility of seeing **floating icebergs and occasional landslides** from close up. You can also include the optional transfer from your hotel in El Calafate to the glacier round trip.

BOAT RIDES AND ADVENTURE

PATAGONIA CHIC

Mayo Spirit Trek

This tour **combines trekking in the mountain with a boat ride** through the South Arm of Lake Argentino **visiting the Cerro Mayo and Cerro Negro glaciers** from El Calafate. Includes disembark at Toro Bay where you will hike through the forest while you enjoy panoramic views of a wonderful landscape that will leave you amazed. The only way to access this area is by boat because these glaciers are located within **Seno Mayo** of Lake Argentino. You will also **visit the balconies of the Perito Moreno Glacier**.
